130.00 HRK / ca 17,50 EUR

DESCRIPTION:

Witness Dubrovnik's rich history and discover its magnificent buildings, palaces and treasures. Accompanied by our experienced guide, who will entertain you with interesting details and stories, you will be given a tour which covers all the major sights of Dubrovnik's Old City.

ITINERERY:

Starting at Onofrio's Fountain, which for centuries has brought fresh drinking water into the city; our route leads us along Prijeko Street to the Old Port, once the key of Dubrovnik's trading and maritime success.

St. Saviour's, the grandiose Franciscan and Dominican church, will be seen along the route, as well as a vine believed to be more than 100 years old.

While in the Old Port, the legends of the famous Quarantine and the nearby fortresses of St. Luke and St. John will be explained.

Ships from Dubrovnik were known throughout the Mediterranean: galleons and karakas, all of which were built and loaded in the legendary Arsenal, today the popular City Café, will be seen along the way. Stories and legends about the church of St Blaise, Dubrovnik's patron saint; the Cathedral; the Rector's Palace; Sponza Palace, and Orlando's Column will give you an overview to better understand and further explore the multi-layered past of the city.
